OUR MOTTO

25 YEARS OF ACADEMIC EXCELLENCE

St. Mary's International School truly prides itself on being the leading international school in the city with a consistent track record of producing 100% results at the state and district levels in the board exams.

ACADEMIC EXCELLENCE

We have state of the art facilities, exemplary national and globally qualified staff and we pride ourselves in the numerous extracurricular activities that we offer our students. The class size is limited to a 1:10 teacher student ratio in order to ensure that each student receives individual attention.

EXTRA-CURRICULAR ACTIVITIES

Situated across 9 acres of land, away from the city, our residential and day scholar campus hosts 6 blocks which also include a an Arts block and Music Facilities. Our campus also houses the latest Sports Facilities including a Basketball Court, a Volleyball Court, and various athletic amenities.

WHY CHOOSE ISC?

**GLOBALLY
RECOGNISED**

**EMPHASIS ON
ENGLISH**

ADVANCED MATH

**COACHING FOR
COMPETITIVE
EXAMS**

**EXCLUSIVE
EXTRA
CURRICULAR
ACTIVITIES**

The ICSE examination is conducted by the CISCE (Council for the Indian School Certificate Examination) Board, and is an offshoot of the Cambridge IGCSE. It was later renamed as Council for the Indian School Certificate Examinations or ICSE.

Beyond the Textbooks

Our ICSE school has students from Grades 1 to 10. We have globally recognised and experienced faculty for ICSE students who also provide extra coaching to students of grade 9 and 10 to prepare them for their Board Exams. The structure of the ICSE syllabus requires students to look beyond textbooks, venture into their labs and gather hands-on learning experience to get a practical insight into concepts learnt in the classroom. In addition project work, research and group assignments, give students an opportunity to prove their mettle.

ICSE AT ST MARY'S

ST MARY'S ICSE

The ICSE curriculum prepares our students to outperform in competitive exams where they have a distinct edge and advantage. This curriculum also affords students opportunities to explore a global career path and study abroad opportunities.

Campus Infrastructure

Our modern ICSE campus has 40 classrooms situated around a quadrangle, equipped with facilities like labs for Physics, Chemistry, Biology and Computer science. The campus has its own Library and a 500 seater Auditorium. The technology used in teaching and learning is constantly updated to accommodate new methods of learning and educational delivery.

Residential Block

The ICSE block has residential facilities for boys and girls and our well stocked kitchen serves nutritious meals. A medical facility is available for our students with nurses on the campus 24/7 to deliver the best in medical care for our day scholars and our residential students.

Extra Curricular Facilities

Apart from the academic facilities, the school has a music room equipped with the latest instruments for our students who are musically inclined. For our aspiring athletes, basketball and volleyball courts and a football field are available alongside other athletic facilities. We also provide cricket coaching for our students and offer sports scholarships!

KINDERGARTEN

ST MARY'S ICSE

The ICSE block houses our Kindergarten Division with students aged 3 to 5 years.

We provide a lively and engaging environment for our toddlers. Our kindergarten teaching is largely activity based to aid better learning, create an enjoyable and enriching experience, to encourage creativity and build a strong knowledge foundation. The campus has a dedicated play area with equipment suitable for the little ones. The kindergarteners are taken on field trips as a part of experiential learning, help build social relationships and it enables the students to learn and grow as they engage in such activities.

PRIMARY & MIDDLE SCHOOL

ST MARY'S ICSE

St.Mary's International School offers a comprehensive learning programme that extends far beyond the confines of a classroom. Students have countless opportunities to assimilate knowledge, discover hidden talents, follow dreams and grow into well-rounded individuals. Through different facets of the residential and day scholastic programmes, a range of skills, attributes and values are built and nurtured in the students, to ensure their holistic development. The aim is to promote and intensify performance and encourage students to be fore-runners in all fields.

Students learn a Second language (Kannada) from UKG. They study Kannada and Hindi from Grades 1 to 5. The option to choose Kannada or Hindi as their 3rd language is given in Grade 6. Students are empowered through various curricular and extracurricular activities. Strong Communicative English is given high priority in the St Mary's ICSE curriculum.

HIGH SCHOOL

ST MARY'S ICSE

The high school students are offered a top-tier learning program designed specifically to prepare them for board and competitive exams. We ensure that our students are equipped with all the required tools in order to ace their ICSE board examinations. At the Grade 9 level, students are given option to choose Science or Commerce streams which will pave their path towards competitive exams.

Through our residential and day scholastic programs, we focus on nurturing a wide range of skills, attributes, and values essential for holistic development. Our goal is to cultivate high performance and empower students to excel in all areas. Beyond the classroom, our curriculum provides ample opportunities for students to absorb knowledge, uncover hidden talents, pursue aspirations, and develop into well-rounded individuals.

We empower our students through a variety of curricular and extracurricular activities.

PIANO

GUITAR

DRUMS

DANCE & DRAMA

At SMIS, We love to nurture the gifts and talents our students have, and for our musically inclined students, we provide various activities for different age groups. We have an experienced music family who train children from Grades 1 to 5 as a part of the school choir and students from Grades 6 to 12 have the opportunity to learn how to play an instrument.

MUSIC SCHOLARSHIPS

At SMIS, We provide scholarships to students who are gifted in the field of music. **To apply for the scholarship and audition, contact the school office.**

RESIDENTIAL FACILITIES

ST MARY'S ICSE

OUR DORMS

At SMIS, we have on campus residential facilities for students of all age groups. We have dorms for boys from Grades 1 to 7. For boys in Grades 8 to 10, we provide rooms with 4 students per room.

For the girls, we have two dorms, from Grades 1 to 6 and Grades 7 to 12. Dorms and rooms are equipped with storage space, beds and study lamps.

FACILITIES

Our students living on campus are provided with nutritious meals for breakfast, lunch, dinner and evening snacks. We have exclusive activities for our students who live on campus like weekly movie time and regular field trips.

EUPHORIA

ST MARY'S INTERNATIONAL SCHOOL ANNUAL DAY 2022

The annual day celebrations at St Mary's ICSE begin with Euphoria. Euphoria is a 3 Day Event filled with breathtaking performances showcasing the incredible talent of our students and staff.

Day one features the Kindergarten students Primary years and, Day 2 the Middle school students and Day 3 features our High school students.

-ESPERANZA-

Esperanza, the graduation ceremony celebrates the achievements, moments and laurels of our 10th and 12th ICSE and ISC students.

As the final culmination, Esperanza celebrates the laurels and achievements of our graduating batch.

SCHOOL EVENTS

ST MARY'S ISC

On the occasion of 74th Republic day, St. Mary's International School celebrated the spirit of our nation through the marathon, "Run for Republic"
